

WE ARE BACK!

ASSET Training Courses & COVID-19 – Corona Virus

We are planning to resume teaching courses from August 24th taking a maximum of 3 students per course to facilitate safe distancing and appropriate safety measures.

We will be adding a small surcharge to each course to cover a personal PPE Kit for each student. All at cost and supplied by us so we know everyone has the same level of protection that fits in with our risk assessment.

Email me at scubatechnician@aol.com for a brochure or to enquire about availability
